

# **BURN BAN IN EFFECT**

**By Order of the Mayor and the City of Mackay Fire Chief, a Burn Ban Order is in effect beginning today. This ban prohibits open burning within the City Limits of Mackay and the Area of Impact which extends one (1) mile beyond those City Limits. See Ordinance #436 Section 6**

**Burn Permits will not be issued. Any open burning is prohibited. Burn barrels are always prohibited.**

**This ban shall not apply to BBQ grills or cooking fires contained within a metal fire ring.**

**Fireworks banned in the State of Idaho are prohibited. Idaho State approved fireworks are allowed under adult supervision.**

**Please remember, our volunteer firefighters put on the best fireworks display within 100 miles. If these fine individuals are called to put out a fire during that display, many people will be greatly disappointed.**

**Your Cooperation is Greatly Appreciated!**

Wayne C. Olsen, Mayor

Randy Ivie, Fire Chief
